

Agape House, Inc. in Walworth, WI, is pleased to announce that the Executive Team is now accepting inquiries and applications for the following ministry position for the 2019—20 school year:

HOUSEHOLD MANAGER/HOUSE PARENTS

Job Description: The Household Manager/ House Parents oversee and manage the Agape House home in which they may, but are not required to live. The House Parents are responsible for fostering and supporting a cohesive family unit and maintaining active, appropriate communication with parents, co-workers, volunteers, and guardians. They identify spiritual needs, correct negative behavior, plan activities and events, and teach the girls and boys to work through daily problems that may arise during the course of a day. The House Parents also coordinate the daily functions of the home which includes but is not limited to planning and preparing meals, scheduling recreational opportunities, and overseeing the house staff. House Parents are very important, as they will have the most contact with the girls and boys. House Parents must be loyal to the ministry, organized, efficient, consistent in discipline, and actively communicative. Finally, House Parents are charged with creating and managing a safe, loving, functional home for the girls who live on campus.

Qualifications: by family orientation on which to draw and model this value to the teens and their families

- Possess the ability to appropriately interact and effectively communicate with a culturally diverse, psychologically- or behaviorally-challenged population
- Bring an assertive, self-confident, and sensitive balance when working with teens and staff
- Be organized, dependable, creative, and kind
- Possess a valid driver's license and a good driving record without restrictions, except for glasses
- Demonstrate spiritual, social, emotional, and intellectual maturity
- Hold a college degree in social work, liberal arts, biblical studies or equivalent experiences (a degree is a plus but not a requirement)
- Bring love and compassion for teens who are hurting — this is the key requirement for qualified House Parents

Other Important Information:

- Chosen House Parents may take residence of a 3-bedroom apartment at the girls' home and a 1-bedroom at the boys' home, which include utilities and is on the Agape House campus
- House Dad for girls' home needs to be a Godly example of a father/husband, and be very supportive of his wife. He may have a job off-site, but be willing to offer assistance when needed, and vice versa for the boys' home.
- Applications are being accepted now
- Position will begin when filled and run through June 2020; continuation beyond this is negotiable yearly
