

Agape House, Inc. in Walworth, WI, is pleased to announce that the Executive Team is now accepting inquiries and applications for the following ministry position:

RESIDENT ASSISTANT

Job Description:

The Resident Assistant (RA) is a full-time ministry position at an all girls' home. The RA must be a young woman or young man who will come alongside the girls or boys as a mentor/life skills coach, offering the love of the Lord and supporting the teenagers' needs to help them overcome the hurts from their past. The RA will work closely with the House Staff to ensure that the home for the girls and boys who reside is run efficiently and lovingly. This position includes room and board as part of the compensation package.

Key Responsibilities:

- Fosters a cooperative and considerate community environment which contributes to the academic and personal growth and success of each resident.
- Actively aids residents in achieving a successful academic experience, compassionately advises residents in developing individual responsibility, self-regulation, personal growth, and social awareness, and comfortably develop personal relationships to individually support and assist all residents.
- Leads with a positive attitude and works cooperatively with residents to ensure an environment that values individual differences and respects rights and opinions through open communication.
- Appropriately confronts concerns and mediates conflicts as necessary.

Qualifications:

- Have a healthy family orientation on which to draw and model this value to the teens and their families
- Possess the ability to appropriately interact and effectively communicate with a culturally diverse, psychologically- or behaviorally-challenged population
- Must be at least 18 years old
- 1-3 years of relevant work and/or ministry experience necessary
- Bring an assertive, self-confident, and sensitive balance when working with teens and staff
- Be organized, dependable, creative, and kind
- Possess a valid driver's license and a good driving record without restrictions, except for glasses
- Demonstrate spiritual, social, emotional, and intellectual maturity
- Hold a college degree in social work, liberal arts, biblical studies or equivalent experiences (a degree is a plus but not a requirement)
- Bring love and compassion for teens who are hurting

Other Key Elements:

Length of Appointment: Full-time, mid-August through June

Time Commitment: Varies.
