

**Teacher Assistant: Job Summary**

The Teacher's Assistant will pray for Agape, students, families, and staff; look for opportunities to point them to God, His attributes, and His love for them. Helping students to see themselves as God sees them, points them towards a personal relationship with their Savior. Developing meaningful relationships with the students and staff to foster Agape Love, as well as healing from past hurts, will be the foundation of this position.

We are relationship oriented, starting with our relationship with the Lord, and including with staff and our clients. This part-time position is from the end of August through June.
